**S.G.B. CAPE**

The above organisation and Mr D. Genders have carried out scaffold erector and scaffold inspector courses recently for N.J.V. Contractors cc and Norland Construction cc.

We have found the two courses to be of immense assistance in raising awareness as regards safety and productivity in the workplace.

Mr D. Genders has years of actual experience in the scaffolding field and presents a well organised and structured course.

The scaffold erector course was attended by our chargehands and shutterhands as well as junior foreman. The scaffold inspector course has added value to our Foreman, Site Agents and Contracts Managers.
