TO WHOM IT MAY CONCERN

This note serves to confirm that Duane Genders provided a Scaffold Inspectors course to a few of senior site staff members. I am pleased to report that the course was both informative and value adding, with specific reference SANS 1085. It was organised in a tasteful venue and presented in a professional format, with a relaxed sub style, that seemed to maximise delegate participation.

I am confident to recommend the course to any professional in the building industry.

Yours faithfully

Grant Keen
